**Innovating From Tradition,
Creating The Future.**

Bertazzoni redefines tradition with innovative kitchen appliances, mirroring the boldness of young hawkers who reinvent classic dishes all while embracing uniqueness and innovation.

BE Inspired

'Be Inspired' is a tribute to passionate hawkers who embody a spirit of youthful innovation, fearlessly redefining traditional flavours and bridging time-honoured recipes with a contemporary twist.

Much like the heritage embedded in Bertazzoni's craftsmanship, these hawkers draw inspiration from age-old recipes and techniques, infusing them with bold creativity. Both embody the spirit of resilience, preserving the essence of tradition while fearlessly exploring new horizons.

The new face of a traditional taste, Jofa Mee Pok serves passion in every bowl.

Crafting Singapore's softest shio pan, Butter Town bakes tradition with a twist.

The Little Red Hen stirs nostalgia flavor with hearty muslim food made healthy.

BE Different

Bertazzoni stands at the forefront of change as a brand that dares to reimagine traditions. Just as young hawkers infuse classic dishes with bold twists, Bertazzoni crafts kitchen appliances that set new standards by seamlessly blending design and functionality. With a shared vision to be different, Bertazzoni is here to celebrate tradition while embracing innovation.

Be Inspired, Be Different.
