THE INDUCTION HOB

Induction Zones

High-efficiency induction cooking zones include a booster function for extra fast boiling and multizone technology for cooking using wider pans.

Power Limitation:
HDB-friendly

9 Power Levels + Booster

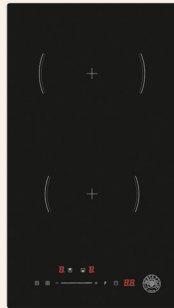

The booster function enhances the power within a zone to rapidly reach intense heat.

Multi-slider Control

Control each part of the hob independently to achieve higher precision by sliding your finger for the power you need.

P885IC2G5NE

Disclaimer: Multizone technology is applicable to selected models only.

THE GAS HOB

5kW Power Burner

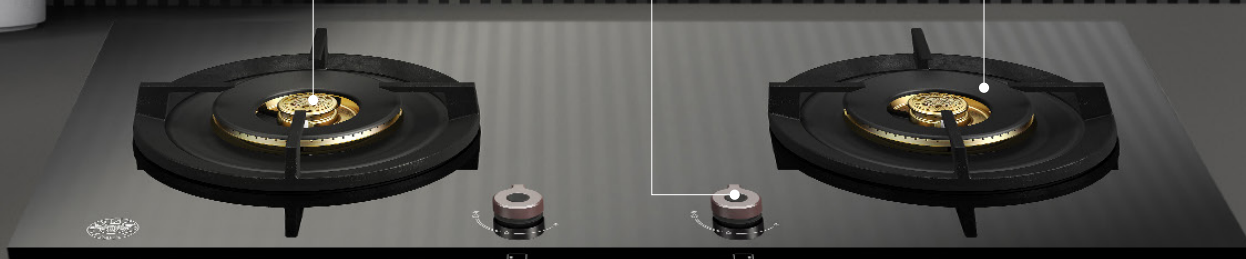

Combining two burners in one, the 5kW power burner ensures exceptional control.

Control Knobs

Stainless steel and soft-touch control knobs offer precise heat adjustment.

Brass Burner

Blending performance with style, the quality brass burners deliver consistent, even heat.

P782BPROGNE
